**MINDFULNESS-BASED STRESS REDUCTION PROGRAM
PARTICIPATION AGREEMENT**

To attend the program we ask that you make a commitment to us and to **yourself**:

1. To not miss more than one session of the eight week series. If there is an emergency that prevents you from attending, please call the instructor within a few days of the missed session.
2. To practice the meditation, relaxation and/or mindful body movement for forty-five minutes, six days a week for eight weeks.
3. Attend the **7** hour retreat to the best of your ability.

Participants who keep these commitments tend to gain the most benefit out of the program. Remember to assess whether this is a good time in your life right now to be able to embark on a significant lifestyle change.

If you agree to make these commitments, please sign:

MINDFULNESS-BASED STRESS REDUCTION CLINIC
PARTICIPANT AGREEMENT

Welcome to Stress Reduction & Mindfulness Meditation. Before entering the program, it is important that you understand what we are asking of you in terms of your level of participation and commitment.

This program is designed to help you learn mind and body awareness techniques to cope with physical or psychological symptoms from stress, chronic pain and illness and/or stress-related illnesses.

You will begin to experience the benefits of participation in Stress Reduction Mindfulness Meditation in a short period of time. However, the program requires commitment on your part. In order to experience the benefits of the program, you must make a strong commitment to attend each of the sessions and practice the meditation, relaxation and gentle movement exercises regularly during the eight weeks.

We understand that entering the program involves a significant lifestyle change and time commitment to attend the sessions and to meditate and do the exercises for thirty-five minutes daily. However, it is likely that you will find these activities pleasurable and empowering. Long after you have completed the program, you will be able to use the techniques and skills you've learned to enhance your health and improve the quality of your life.

On a scale from ,to 10 how certain do **you feel that you** can commit to. approximately **35** minutes of practice a day, **5-6** days a week while you are in the program? Please circle a number.
